From the Pastor...

Because He lives, I can face tomorrow! These powerful words from Bill Gaither capture Easter. They remind us that God is the God of life. God created life, and when we chose death, God transformed death back into life. Easter is God saying that death cannot stand. It cannot have the final word.

Because we know that even death cannot stop us, we are free to live life in Christ. As Paul said, "Death has been swallowed up in victory!" (I Corinthians 15:54c). During Lent we have focused on dying with Christ. Easter reminds us that it is even more important to live in Christ.

We are Easter people. Our faith is one of hope and future. No matter what is happening in our lives, Jesus resurrection offers us hope. It is the power that can transform our lives. I'm inspired to see lives being transformed within our congregation and those changes are transforming our church!

I look forward to celebrating my first Easter with you and trust you will join us this Sunday. I also encourage you to bring family and friends who need a word of hope. Easter, however, isn't just one day – it is a new way of life. So please plan to be with us each Sunday of Eastertide as we examine The Power of Easter.

Easter Empowers Us to Reorient Our Lives

John 20:1-18

It's easy to get turned around in life - especially when we go through difficulty. Easter is God's answer to the crucifixion. It reorients us away from death to eternal life. Easter is the true north for Christians. This sermon will point us past a confusing world toward the in-breaking Kingdom of God.

Prayer Centered in the Will of God

James 4:3 says, "You ask and do not receive, because you ask with wrong motives, so that you may spend it on your pleasures." Prayer is a time of submitting our lives to the lordship of Christ. How then can we bring our own selfish desires and activities to God's throne and expect His blessing?

One of our greatest problems is that we have a generation of self-seeking, manipulative Christians. We have learned the methods of the world and tried to mingle them with the method of God. Many well-meaning believers initiate an idea or ministry without consulting the Father. Mass-marketing techniques and appeals for funds are used to launch ministries. Things often go well until we reach the limits of human ability. Then we begin to pray fervently for God's assistance.

But God refuses to answer. He had nothing to do with self-motivated and self-initiated prayer in the beginning, and He has nothing to do with it now. The windows of heaven are open only to prayer that is initiated and centered in the will of God rather than the will of man.

Father, forgive me for the selfishness of my prayers! So often I enter into Your presence without considering my motives. I only have gifts and abilities because You have placed them within me. They belong to You and I have grossly misused them. May I slow down to seek Your heart so that whatever idea or plan I may have comes from Your heart instead of my own! Help me to draw upon Your power and ability, continually submitting my will to Yours.

Building & Grounds Team Work Day

Saturday, April 23, 2016 ~ 7:30 a.m.

The Building & Grounds Team is planning a campus work day to complete the following items.

1. Remove concrete sidewalk and build forms for the new sidewalk between Adams Hall and the upper parking lot. We will hire a contractor to pour and finish the walk way.
2. Replace gym lighting fixtures. There are currently 6 out of 24 fixtures out in the gym. We plan to update the lighting to an LED fixture.
3. Add additional outside lighting to the east side of the sanctuary to match the lights currently on the west side.
4. Remove the speakers out of the bell tower. The old chime system used speakers (4) mounted on the top of the bell tower. During a recent high wind event, the speakers were blown off and damaged the roof inside the bell tower. These speakers must be removed before the roofers can repair the damage.

Join the Building and Grounds Team as we make improvements and repair needed items around our beautiful campus. We would like to know if you are coming so call the church office (704-873-7231) to sign up or e-mail Clayton Cline at clayton@statresvillefbc.org.
